**FLAVOURS OF SPAIN
TYPICAL SPANISH PRODUCTS**

FLAVOURS OF SPAIN

A Spanish company dedicated to the International distribution of traditional Spani products. Flavours of Spain has a wide variety of products produced through a careful process and techniques, which certify their quality...

- **There is a great variety of slow –matured hams that have acquired their delectable taste from this traditional and carefully observed process, coming mostly from Guijuelo, Trevelez, Pedroches Valley, where their name of Origin certifies their quality. Ham from Iberian pigs are fed acorns and feed, result in these products excellent taste.**
- **Extra Virgin Oil high quality, intense flavour and good smell, the product is made with great care and with the latest technologies.**
- **There is a large variety of cheese from various parts of Spain. However, the best known and most prominent are the Asturian and Manchego cheese.**
- **In the north of Spain one will mainly find bodied red wines to taste them primarily with red meats and sausages.**

In the south, Andalucia, you can find white wines with a smoother taste. Fino and manzanilla, is the most consumed among Andalusian.
